- Audit (Au)
- Learning, Standards and Safeguarding (LSS)
- Local Governing Boards (LGB)

Chief Executive Officer/Executive Head teacher

The Directors shall appoint the CEO/Executive Head teacher who will act as a voting Director. By signing this document the Directors delegate such powers and functions as they consider are required by the CEO/Executive Head teacher for the internal organisation, management and control of the MAT (including the implementation of all policies approved by the Directors) and for the direction of the teaching and curriculum at the MAT.

DIRECTORS' MEETINGS

The MAT Board will meet at least once a term. No business will be conducted at any meeting unless a quorum is present.

Directors must appoint a clerk to the Board, who must be someone other than a Director or the CEO/Executive Head teacher of the MAT. From September 2018, this has been and will continue to be the ADMAT Governance Officer and Company Secretary.

The meetings of the Board of Directors should consider all matters as laid down in the latest version of the ADMAT Cyclical Plan. The cyclical plan runs alongside this scheme of delegation and ensures that all governance responsibilities are met at the right time of year during the various meetings of Directors and their committees.

The MAT Board may decide to delegate responsibility for specified matters, where it has power to do so, to individual members or committees of the Board. Decisions taken by individual members or committees of the board under delegated powers should be recorded in written minutes available to the board as a whole.

Accounting Officer

The Funding Agreement requires the MAT to identify the CEO/Executive Head teacher as the Accounting Officer. This post confers responsibility for financial and administrative matters. This is a vital role, as the Accounting Officer is personally responsible to the Board of Directors for:

- ensuring regularity and propriety;
- prudent and economical administration;
- avoidance of waste and extravagance;
- efficient and effective use of available resources; and
- the day to day organisation, staffing and management of the MAT.

The Accounting Officer may delegate, or appoint others to assist in these responsibilities, for example to the Finance Director and/or the Business Manager and/or the Chief Financial Officer. Within the framework of the MAT Improvement Plan as approved by the Board of Directors, the CEO/Executive Head teacher has overall executive responsibility for the MAT's activities including financial activities. Much of the financial responsibility has been delegated to the Chief Financial Officer but the CEO/Executive Head teacher still retains responsibility for:

- approving new staff appointments within the authorised establishment, except for any senior staff posts which should be approved by the Board of Directors;
- financial delegation as laid out in the latest approved ADMAT Financial Scheme of Delegation;

MAT Finance Team

The main responsibilities of the MAT Finance Team are:

- the day to day management of financial issues including the establishment and operation of a suitable accounting system;
- assist the Chief Financial Officer with the management of the MAT financial position at a strategic and operational level within the framework for financial control determined by the Board of Directors;
- the maintenance of effective systems of internal control;
- ensuring that the annual accounts are properly presented and adequately supported by the underlying books and records of the MAT;
- the preparation of monthly management accounts;
- authorising orders below £500 in conjunction with budget holders
- ensuring forms and returns are sent to the DfE/EFA in line with the timetable in the DfE/EFA guidance. Signing such forms as necessary.

Responsible Officer

The Board of Directors will need to consider how it monitors and checks the operation of the financial management arrangements that have been established and are operated by officers of the academy. To assist in this they will appoint a person who will have specific responsibility for overseeing the financial arrangements on their behalf. The appointment of this Responsible Officer (RO) must be notified to the DfE.

The RO post is intended to provide an independent oversight of the academy's financial affairs. The main duties of the RO are to provide the Board of Directors with on-going independent assurance that:

- the financial responsibilities of the Board of Directors are being properly discharged;
- resources are being managed in an efficient, economical and effective manner;
- sound systems of internal financial control are being maintained; and

The Church's vision for education reaches beyond Church of England schools; it offers a compelling vision for the education of children and young people in community and church schools. It aims to deliver excellence in education and the very best outcomes for children and young people so that they can achieve their fullest potential. The unequivocal message is that academic rigour and the wellbeing of pupils are equally important – a good education must promote life in all its fullness. In order to ensure the continuing close relationship between the Church School and its local church and community, it is a requirement that Church of England Academies in Community-led MATs have local governance (individual board, Ethos Committee or 'hub') where Foundation Governors are the minority or majority.
