Summer 2026 - Justice

'Let us be concerned for one another, to help one another to show love and do good.' Hebrews 10:24-5

SUMMER TERM 2026

[introductory video about justice](#)

Definition: When thinking about 'justice', some people think first about giving wrongdoers the punishment they deserve. However, that would be a one-sided picture of justice. **Justice also means giving all people - particularly the poor and oppressed - what it is right and fair for them to have: life, health, freedom and dignity. It is about acting out of a concern for what is right and seeing right prevail.** It is about social justice, especially for those who suffer most and are least able to protect themselves.

Throughout the Bible, it is emphasised that justice is immensely important to God. It is fundamental to God's character. 'For the LORD is righteous, he loves justice; upright men will see his face.' (Psalm 11:7) **Justice is not about a culture which encourages everyone to insist on their own rights at the expense of others. It is about a community that knows that everyone's well-being is bound up with that of everyone else.**

Key Bible verses:

Let justice and fairness roll on like a river that never runs dry - Amos 5:24

Micah 6:8: The Lord God has told us what is right and what he demands: "See that justice is done; let mercy be your first concern, and humbly obey your God."

Key Bible Character:

Esther risking her life to claim justice and freedom for her people (Esther 4)

Questions:

Do I always act fairly?
Am I fair to other people?
What unfair things make me cross?
How can our school /community /world be a fairer place?
What does God think is unfair in this world?
What Bible stories deal with issues of justice?

The King's son, Jonathan, decided to help David escape. Jonathan had nothing to gain from helping David, in fact he was next in line to the throne and it would have been better for him if David was out of the way, you might have expected him to be jealous of David too. But David was Jonathan's friend, and he knew that his father Saul was being really unfair. If he wanted to act fairly, he had to help David escape. He risked everything – his father's anger, his chance of being king one day, maybe his own life, because he wanted to act fairly.</p>
