

Geographical Skills and Fieldwork

- Use aerial photographs to compare land use in Suffolk and land use in London or another major city. Create a key using symbols to show what different features are.
- Study Ordnance Survey topographical maps to plot land use patterns and features of counties of the UK.
- Research how the population of Suffolk has changed over time. Present this in a graph. Compare this to a similar graph showing the population of London.
- Compare urban and rural areas using six-figure grid references.
- Compare different sources for population

Characteristics of the UK			
Landmarks		Physical Features	
			
Canterbury Cathedral	Stonehenge	River Severn	Ben Nevis
			
Angel of the North	Clifton Suspension Bridge	Lake District	White Cliffs of Dover
			
Roman Baths	Edinburgh Castle	Land's End	The Needles

What I previously learnt:

- The village I go to school in is called Lewdown, Devon.
- Devon is in England, which is a country. England, which is in the United Kingdom, is in the continent of Europe.
- The capital cities of the four countries that make up the United Kingdom are London, Cardiff, Edinburgh and Belfast.
- The terms urban and rural and use them to describe areas of the UK.
- How to locate places using four figure grid references.
- How to identify features such as hills, mountains, coasts and rivers on a map.

Vocabulary	
cartographer	somebody who draws and produces maps
city	a large town . London is a city .
coastal	an area of land close to the sea
compass points	any of the main points of a compass: north, south, east, west, north-east, north-west, south-east, south-west
